A PUBLIC ENTITY SERVING CHANNEL ISLANDS BEACHES AND HARBOR

ULTRA-LOW FLOW TOILET (ULFT) REPLACEMENT REBATE PROGRAM \$60 REBATE APPLICATION

Replacing your old toilet (5-7 gallons per flush) with a new ULFT type (1.6 gallons per flush) will save you money and could permanently reduce toilet water use by up to 75%. Additional information is available upon request at the District office.

When you select, purchase and replace your old toilet with a new ULTRA-LOW FLOW TOILET (ULFT) you are eligible to receive a \$60 rebate (limit 2 ULFT Rebates per residence per year).

The Channel Islands Beach Community Services District Board of Directors has established a program to encourage the replacement of existing "water wasting" toilets with an approved ULFT type (all 1.6 gallon toilets old on the market are approved for use in your program). To qualify for the Rebate Program you must meet the following requirements:

1. You must be a CIBCSD customer.
2. Toilet must be a ULFT toilet (1.6 gallons per flush).
3. Proof of purchase and installation information must be provided.
4. Toilet should be secure to the floor and a new wax seal and anchor bolts must be used.
5. CIBCSD staff must inspect the installation.
6. A rebate check of \$60 will be issued within 120 days of compliance with the requirements.
7. \$60 rebate effective

Thank you again for participating in the ULFT Rebate Program. If you have questions or need additional information, please contact the CIBCSD staff at 985-6021.
